Thanks.

Can you get me some performance data for kbvy and gaithersburg, MD?

I thought you mentioned full tanks out of 5000ft, that is kbvy and my airport for the summer. Can you verify?

Any more pictures would be super helpful.

1410 is not FANS-1 compliant. They have done FMS upgrade, TCAS 7.1 and ADS-B out. I would say they are about 75% done.
