Are you ok! with me offering Boscoe \$1=0 a day to oversee the Barge project. ?

He c=rrently makes \$250 a day driving the Barge.

Please advise,  
=nn R.

Begin forwarded message:

Bosco will not be needed on s=ght all days and we should consider converting his 250 per day to:

- a) 8 hours = 31.25 per h=ur
- b) 9 hours = 27.77 per hour

let me know your thoughts

Greetin=s Rebel,

Suggested plan=of action:

You wi=l be the first point of contact for Subbase Drydock and Boscoe.

Boscoe will report via email t= you directly, copying me and Rich.

Gene will report directly to you.

Boscoe will let you know what days he is needed at Subbase Drydock, in advance.

</=iv>

Boscoe's reports should be daily, whether he is reporting directly from Subbase or via Gene's report to him. The reports should include work completed, when he is on site, photos, any issues that arise.=div>

We would like to encourage Gene to also keep a photo log of the work progress, as well as time=sheets, if possible.

We would like to try this course of action starting next week, and will adjust if needed at the end of the=week.
