Accessible through a private elevator, the Herb Garden Suite is inspired by Southern California architecture of the 1930s, 1940s, and 1950s. Featuring everything expected from one of the best five-star hotels in LA, it enters on a spacious living room with vaulted ceilings and a fireplace. French windows in the master bedroom look over the gardens, and there is a terrace for enjoying the warm weather. Celebrate with guests in the dining room, which features a full chef's kitchen. In the luxurious marble bathroom, you'll find limestone floors, a rain shower and a spa bath.

Stay includes round trip LAX airport transfers and welcome bottle of Krug Champagne. Please note this excludes all offers, packages and promotions.
