you board need finance people , not politicians . banking expertise. international finance. donald Kaberoka is not well respected in finance at all much more philanthropy he can be on foundation board. someone like volcker. bernake . former goldman partners. . you need to show you are serious about profits. operation, staffing, . I know no one fully understands all the issues in your conflict with benjamin and the family. again, you need a trusted team, to surround you that are loyal and competent. you are strong , you have no alternative but to fight. . no firm response to this week , will be a major negative , gather your strength.
