Bonjour Jeffrey,

Please find attached the study regarding Great Saint James Island. Here the link to download the plans:

<https://www.dropbox.com/sh/2mmj2r06254cbrl/AABLtmti9XRO4MRRFHzP=ICia?dl=0>

You will find a site plan of the all island with several points, conceptual, on the island which, I think, are interesting place.

You will see the new proposal for the house . I have kept the same general idea but with modifications following all comments you did.

I haven't done any 3D yet as I would like to be sure you like the general line of the project.

I am available to talk with you about it .

Hope you will like the general idea of the project.

Best regards.

Philippe VAN DEN BROEK
