Spoke to Clinton at length about it yesterday, he s=id they would have to upgrade the system to come out of there. He sai= we would need to come out of Great Bay landing if we wanted to go there.&nbsp; The issue is it cuts out the redundancy since we would have both legs o=f same feeder. I am in the water most of today and have a call at 530= but am available around 4 if that's not to late for me to call or come by.=nbsp;
