<=r>To whom it may concern,

As professor of [REDACTED] in the =ashion Business course at [REDACTED], I was able to meet i [REDACTED] and have her among my students. All year long I noticed her interest=towards the subject and her involvement during classes, which made me very=satisfied from having her in my course.

Miss [REDACTED] i actively parti=pated in my classes with clever and relevant comments and was able to ass=milate and re-elaborate the contents quickly. Her intellectual curiosity a=d her natural inclination for learning are characteristics that make of [REDACTED] a stand out student.

Furthermore the student was able to interact=with classmates and the teacher in a respectful and positive way, using pr=per language and being always kind.

I therefore recommend Miss [REDACTED] as a highly reliable and committed student.

Prof. [REDACTED]
