Larry,

Attached you will find
spec sheet with old photos and CMP due list
for the
off-market
Gulfstream V serial number 506
.

The aircraft is at =LL completing P & I but will be done next week.
The new seat color is a fawn color
(seat photo attached)
and includes new foams. The new carpet is a sort of dark chocolate - The n=w paint is the same exact livery as before.
It will be completed next week.

The=20
airplane has been down =or
refurbishment for
about 90 days so they have not updated the maintenance
in the
last two months or so
.
The plan is to go straight to maintenance
next week to complete
all the items on the due list. It's not a major inspection, but a lo= has added up while it was down. The biggest
issues are a new horizontal s=ab. jackscrew (timed out) and a nose wheel inspection.
The aircraft is being offered to me at 11.5 million and I expect =t will be scooped up pretty quickly, if someone
likes the floorplan. I tho=ght JE may enjoy to still have a bed.

Sincerely,
