**Subject:** Re:

Chemo could start within a week if they have done all necessary images and bloodwork .  
Chemo is usually 6 cycles spanning over 3 to 4 months.  
Worst is the end cycles when the body is weak and immune system beaten up.  
What time is her appointment tomorrow. Do you think they will need an interpreter that speaks Russian?  
We have a nurse who is Russian that could maybe help....
