Dear Abdulaziz,  
It was great to see you, and your boss, again in London!

As I informed him, I will be very please once again to host him for a= event in NYC. It could be a public event at IPI headquarters or a private=dinner with a select group of people to be agreed upon, or a combination o= both.

I will also shortly send you some updated versions of the Hopefor pro=ram, which I think now is in the process of being revived. I met yesterday=with Ambassador Alya Al Thani here in NYC and took the liberty of conveyin= the best regards from your boss.

I do hope that we can stay in contact, and please convey my best rega=ds to my friend and thanking him for his hospitality in London.

Warmest,  
Terje
