Good afternoon.

As you are aware, I was recently contacted by the VI Department of Justice and we seem to be near to an agreement on their acceptance of \$380k (down from the initial \$490k ask). Some details are still in process, however we are trying to put on hold a court-scheduled Motions hearing of January 13th so a final agreement can be executed. They have proposed a January 4th payment date and I have countered with a January 15th date.

Per our previous conversation, I would like to take you up on your offer and request to borrow \$215k.

I really appreciate your willingness to help.

John
