Subject: stem article
Attachments: usvi stem fair.docx

Hi Cecile,

I hope you are well. Could you approve the attached STEM article? I would like to send it out as a press release.

Could I call you on tomorrow? I would like to see if the foundation can get a link or a page on the USVI Dept. of Education site or anything equivalent.

I'd also like to put a more expanded version of the press release into a feature USVI publication.

Looking forward.
best regards,
