Jimmy is in not stop meetings in Madrid for Dufry with those idiots but I think he is making some progress! He will call you either on his way to the airport tomorrow or when he gets back to The U.S.
Did u get a chance to look at Penny's design books? She presently has 22 clients that depend on her. She's in high demand! Think she could handle a lot for you and get rid of a lot of the headaches. Her office is right down the street from you on 67 and Madison.

Hi Jeffrey,

I have been thinking about you. I have been speaking to Penny and I believe you could possibly make a deal with her to give you full attention.(and give up her office on Madison) . I want to drop off all three of her past interior design books she wrote so that you can get a better idea of the scope of her work from her Paris days to New York. If you want Me also to work with her to really elevate the main rooms in the residences I would do that for you. You have been so kind to Jimmy and really appreciate your friendship and kindness.♥

Best always,
Lisa
