Hi Les,

Can you =lease ask Mr Epstein if dad and I (I hope mom can go to but it's too =ate) go on vacation from July 20 to August 17? Going back to the =hilippines of course with Karen and Brianna and then stops at Korea for = few days on our way back here in NY.

We =ave not gone on vacation together as a family for a long time. And =aren's grandmother (mom's mother) health is not too good either so we =ould like to see her also.

Keeping my =ingers crossed....

Thank you so much

Merwin Dela Cruz
