My mother was born [REDACTED] and I have been fortunate enough to vist [REDACTED] on many occasions. I feel closely connected to this magnificent European capital . Being fluent in [REDACTED] parading through my body leaves me no choice but to consider myself part of [REDACTED]..

<=p>

When on my most recent visit to [REDACTED], After gorging myself on baguetes =C2I made my way to a few of the more elegant fashion shows. First=20 [REDACTED] spring and summer ready-to-wear show and in and then=the [REDACTED]. I was privileged to attend t=e [REDACTED] where I met some of the most=20 remarkable people from cities across the world. When I sp=nd time in [REDACTED] I am able to feel its vitality not only see it . The city= sings to me and I never tire of its artistic and historical richness . I=20 have also had the pleaseure of living in [REDACTED], which is where = initially developed my passion for art and culture. Im afraid i spent much of my free time indoors , visiting the vast panolpy of museums.=20 the opera and discovering [REDACTED] wealth of cultural offerings very=20 soon, realizing that I wanted to pursue my passion for art history at [REDACTED].

Attending The [REDACTED], I believe would also represent a natural evolution of my education. I have previously attended the [REDACTED], earning a [REDACTED] with a major in Economic and Social Sciences. I am fluent in both [REDACTED] but also recently I have polished my English skills. This after studying in school and practising during frequent trips to the United States. It happens that both of my stepbrothers live there. I have been exposed to and greatly appreciate the American culture as a result of my internships with [REDACTED]. I truly loved my time in New York. My family origin and the education I received seems to lead me to no other place than to the [REDACTED].

Studying art history at the [REDACTED] would be a great opportunity to further discover the French culture. I believe that the education I will acquire by completing an [REDACTED] undergraduate program, coupled with additional internship experience, will equip me with all necessary skills to achieve my future career goal to work in the art or fashion industry. I also will learn to give pleasure to men so I am able to support my studies.
