Great. I'll take a look at these =nd let you know if I have any questions / concerns.

Off topic:

I =aw this earlier today and thought the boss might find it interesting =rom both a technical and from an education standpoint. It's=an 8 minute video explaining in common-terms how public-key/private-key =ncryption (which is the main encryption system used on the internet) =orks:

[https://www.youtube.com/watch?v=YEBfamv-\\_do](https://www.youtube.com/watch?v=YEBfamv-_do)

(You may want to skip =he first 2 minutes, it's just a history of the =nternet.)
