Jeffrey,

I am NOT on vacation. Total BS from whomever said th=t. 12+ hour work days is not vacation. It just shows what I have said all a=ong. On the island, anyone bringing changes will be sabotaged and lied abou=. That's why no Manager lasts here. Give me a chance to implement cha=ges and judge it by the results please, not the lies and gossip that is so =ampant here. Just like the vinyl lady debacle, nothing but a big fat lie.

If you feel that I am not up to the task= then we can obviously stop the experiment at any time. But as a profession=l challenge, I'd prefer to see the job through and deliver, but witho=t support, I have no chance of succeeding here. If the trouble makers see t=e effect of their lies, they will have won yet again, and it will always be=the M.O. here. Lie, complain and get rid of people.

&nb=p;

Frustrated, but still convinced that I can make it work</=:p>

Thanks

J=hn
