Subject: Fwd: Subbase Drydock

after a few back and forth conversations with Gene from =ubbase Drydock i was able to negotiate the following:

260,000 final price (Gene will not come =ack to us for any additional change orders)
this =rice represents a 5.11% discount from 2nd quote of =74,002

Gene requested for that price we send an additional 150,000 =200,000 will be paid to date at that point)
and =alance of 60,000 will be due on completion which he estimates to be 8-9 =eeks or approximately June 30th

Note: Subbase bid does not include any =ngine work on bid as they are not equipped to work on Engines
Refurbished Engines (2) were purchased in 2010 for a total =ost of 54,000
Bosco believes that engines =ill need some work but do not need to be replaced

Please advise if ok to =roceed at 260,000 and send wire today of 150,000
Thank you

PS - we should talk =bout future of barge operations (operator and maintenance) as Anna, =aphne and myself all
have concerns about Bosco
