Jeffrey,

I asked Amelia to provide an hourly rate for her and her mother's time. And for them to work three days/week for 2-3 weeks on the island to give it a "hair cut", starting with the area closest to the M. Suite and then provide tasks for the staff on the island for the remainder of the week, so that in 2-3 weeks time, there is a lot accomplished. This is how I understood your request and where we left it at the end of the our meetings. Would this be acceptable?

Alternatively, we can provide Amelia with the overall price that is acceptable for this work...if it's easier to discuss over the phone, feel free to give me a call [REDACTED]. Let me know your thoughts.

Thank you,  
Amy
