**Subject:** Are you fine?

Jeffrey are you all right? I saw some stupid press in UK magazines abt you and Andrew. Hope you are fine and dont care what jealous/envious people say, my smartest superstar!

Hope that you make smart investments given the Swiss bank decision this week.  
What should i do now investment wise to make money?

Let me know for vladimir...! I apply to berkeley until 27 february and trust you for funds.

Next week WEF Davos, what do you think of the event ?

I think its not worth wasting my time going there given that i am noone yet and not master of the universe who can be invited to meet world smartest CEOs and presidents. However, i got invitations to Young global leader community which is under 40... Im rather perplex whether i belong to there or should stay on my "noone" status, to work hard 100 K hours' and earn with my hardest work the esteem and respect instead of using shortcuts to climb career ladder by networking and being gorgeous&sexy around all powerful men. What do you think?

Big kiss from monte carlo

Kind regards/Cordialement,
