Thx...

Need a plan to feel s=cure (day to day) enough to be productive and creative.

So how does this sound -

1. Talk to Bill this=week (should I ask about the DAF and mention Bill Helman or leave that you?=
2. Put Mara on hold
3. T=ink through a strategy to work w Econet / Strive and present it to him in l=te Sept in NYC and decide soon after
4. By mid Oct=ber will have decided on next private sector opportunity Other considerations...

- my secondmen= is safe and enjoyable... Can I build an Econet story full time vs while st=ll at World Bank (Sept 2015 expires)

- what t= do about medical practice and staying current (now doing on weekends and h=lidays) as it is too valuable to me. Strive happy to allow me find a way to=stay current and he thinks it is cool

- personal s=uff with Steve as I need my own money to have a decent lifestyle and he is n=t likely to make more. Don't want to take his money or make him feel threat=ned that anyone is trying. I did help him along every step of the way and w= have most properties in joint names. That's hard. So he either gives me so=ething or I make something but I can't really go anywhere without some fina=cial security. I Always want a positive and amicable relationship with him a= you know how bitter and vindictive he can be. He's a very smart and though=ful person. I honestly think he is and has been in love with Julie (that pl=stic surgery person from msft) since they dated like 20 years ago and I thi=k he missed her a ton. I don't know how to find out if they are having an "=ffair" but I think it has been ongoing 20 years. They are in constant commu=ication. She is worried about losing money from her loser second husband an= not likely to divorce. I've asked him about her once or twice over our 15 y=ars together and he's obstructive and dismissive which makes it sound like a=denial/guilty but hard to tell. He has pretty high integrity in other ways b=t others have hinted to me in past years about his relationship with Julie.=Mostly as just dysfunctional but I think there is something more. I hope so= if it makes him happy. He's not happy now.
