W=y did YouTube close down PMW,
t=us enabling PA hate and terror promotion?

Itamar Marcus

Click to read on our website

Today YouTube closed down Palestinia= Media Watch <<http://www.palwatch.org>> 's
<<https://www.youtube.com/user/palwatch>> , making hundreds of important videos inaccessible to=governments, think tanks and media who find this material of critical impo=tance.

Over the past two weeks, someone has been trying to damage PMW b= submitting complaints to YouTube about PMW videos in four different PMW a=counts in three different languages. The accusation is that PMW is&n=sp;violating YouTube's "policy on harmful or dangerous=content." Because of the range of accounts being targeted, it appears that=someone is systematically submitting complaints about PMW videos to =event us from reporting on Palestinian incitement, and YouTub= has gone along with this.

<<https://imgssl.constantcon=act.com/letters/images/sys/S.gif>> Watch it here
This is outrageous. PMW reports on and exposes the "harmful or d=ngerous" messaging coming from the Palestinian Authority, Fatah, and Hamas= and plays a critical role by internationally exposing the Palestinian Aut=ority's hate and terror promotion.

By shutting down PMW videos, YouTube is "shooting the messenger,= and enabling Palestinian hate and terror promotion to flourish.

PMW asks our readers to turn to YouTube and demand that they reinstate PMW's account and all of its videos that expose hate and terror, and return our accounts to "good standing."

This is not the first time [that YouTube has closed PMW's accounts](http://www.palwatch.org/main.aspx?fi=157&doc_id=17459). Although we have explained numerous times through appeals on YouTube's website that PMW is a research organization that exposes hate speech, our appeals have been ignored, and it is only through the efforts of our readers and organizations who have contacted YouTube that our videos been unblocked and our accounts returned to good standing.

Once again, PMW is asking our readers, and especially anyone who has contacts at YouTube, to encourage YouTube to make our videos accessible again and return our accounts to good standing. You can also send a message to YouTube by clicking the "Send feedback" link at the bottom of YouTube's homepage:
