John "Mac" McQuown yanks on a chain and hoists open a metal roll-up door with a clang. In a flowery aloha shirt, shorts and sandals, he=looks like a retiree with little more on his mind than sipping a mai tai b= the pool. But McQuown is actually one of the architects of the modern investing system, and he's far from retirin=, Bloomberg Markets <<http://www.bloomberg.com/markets/markets-magazine>> magazine will report in its March issue.
