thanks, jeffrey, such sensitive and delicate issues here ... appreciate your support ... we want to be as protective and supportive to him as we can ...

we obviously need to keep Renee's best interest at heart too ... I think premature to separate ., but my brother and I spend as much as possible with her and him and we make sure she knows that she has loving family around her ...

I am not a doctor but I would want to protect his life in current way for as long as possible ...

But appreciate having your help here ...
