Last month was a disaster for me and I=m trying this month to clean up everything that went wrong.

I'm not s=re at this moment what to do because I've been trying my hardest on everyth=ng, I heard you say about a month ago with me and Leighton at the White tab=e that you don't like to be bothered with silly stuff and that you just wan= things to get done.

I don't know what to make of anything anymore. I=m confused and I feel like a big disappointment.
