Schedule

Jeffrey,

May I ask a favor,

We scheduled [REDACTED] engagement Party in Washington DC for the Saturday Nov=mber 5th,. I thought that would be a safe date since I was scheduled for GI= training starting the Nov 7th in NY at Simuflite.

I assumed that would be a safe date, since You mentioned that you'd spend mo=t of Nov at LSJ, I certainly understand your schedule changes, I always hav= your saftey of flight in mind first.

The engagement party is my first meeting of my new in-laws, plus we are flyi=g [REDACTED] and other family members in for this gathering, its been a long ti=e since all four of my family have been Together for some time.

I'd really like to be present for this event on Nov 7th, my apology for not m=ntioning this sooner, I assumed it was a safe month to schedule this.

My thanksgiving vacation request isn't effected, which is Nov 18th thru the 2=th.

May I find a well qualified GIV Pilot like Billy DiMarrow or similar to fly w=th Dave to Paris on the 6th and I'll pick up the Trip in Paris on the 8th?

Thank you in advance,

Larry
