=ear Jeffrey,

I hope you are well. It's been a long time sin=e I last spoke to you and I would love to learn from you more but I do unde=stand you are very busy. So I just would like to hear a quick answer from y=u. I remember the last few times we spoke you mentioned you could help me w=th studying and giving some great advice but at that time I couldn't come u= with a clear vision of my future pursuits so didn't want to come up with s=llly ideas. I think I've figured it out now and have a strong desire to stud= coding and am hoping that it's gonna help me a lot. I would also like to a=k for your advice about some things in general because you're a great teach=r and a mentor.

So finally my question to you is - do you m=nd being my friend and mentor along the way? I promise I'll be a good=student!

Looking forward to hearing from you soon!
