Well, I guess you should first ask me what I would like for my birthday because it's already tomorrow!! :) I'm just joking :)

Talking seriously.. during these years that we have known each other I received so much goodness from you Jeffrey, so many presents regardless there was any particular reason or celebration or not.. So I feel quite uncomfortable expressing my wishes for Christmas...

I guess you probably don't remember how I was asking your suggestions for a [REDACTED] [REDACTED] and you suggested trying white silk pants from Ralph Lauren. I tried them on and I really really liked them... In couple of weeks, on December 19, 20, 21 and 22 I'm having Christmas concerts around [REDACTED] and was willing to wear something really nice, fashionable and festive. As you asked me about Christmas present, I instantly thought about those pants for Ralph Lauren, though I'm not sure if they are still in stock as it's been almost a year since I tried them..
