<div> Why=do people tell dirty jokes?
 And what is it about a joke's dirtiness=that makes it funny?

 G. Legman was perhaps the=20 foremost scholar of the dirty joke, and as legions of humor writers and comedians know, his <i>Rationale of the Dirty Joke</i> remains=the most exhaustive and authoritative study of the subject.

 More than two thousand jokes and folktales are presented, covering such to=ics as The Female Fool, The Fortunate Fart, Mutual Mismatching, and The Sex Ma=hine. These folk texts are authentically transcribed in their innocent and somet=mes violent entirety. Legman studies each for its historical and socioanalytic=20 significance, revealing what these jokes mean to the people who tell them=and to the people who listen and laugh.

 Here - - back in pri=t -- is the definitive text for comedians and humor writers, Freudian scholars=and late night television enthusiasts. <i>Rationale of the Dirty Joke</i> will amuse you, offend you, challenge you, and disgust you,=all while demonstrating the intelligence and hilarity of the dirty joke _____
