I am doing my best to try grow up as best I know how. The job market is tough and I have to market myself heavily online to come close to standing any chance, and that comes with its own concerns for me. So I am navigating my way around these issues as best and quickly as I can.

Brock and I are on good terms and I=adore him but he is married for now and living a lifestyle I don't think I could keep up with in a healthy way.

I want to have my own job. Yes it is extremely taxing to find but I believe it will do me good. I am working every day at finding ways to navigate it and trying to build connections.

My mom booked to come here for Thanksgiving a couple months ago (when I had no idea what would be happening with me travel wise) because I thought it would be nice to have company on the holiday. So she is coming on her way to London where she will be spending most of December and Christmas.

I love you and thank you=for all you do for me. It is a tremendous help to me in this period of trying to start a career which seems way tougher than I could ever have thought.=I really really really truly see it and appreciate it.
