If we can take time to look w=ere we are and we find suggestions that are not completely anxiety provokin= and sudden then that would be nice. Jeffrey I got not such good feedback f=om a recruitment agency which is why I started with a " scheme ". I wanted t= talk to you about it in person. British people have to follow the same law= on OPT. If you enter on esta you lose OPT, you cant switch between any vis= and esta and still keep visa I don't think.

no sure,&nb=p; but we have to take care to look at where we are, realsiticl=lly , these schemes to get work, school degrees.&nb=p; . visa issues , take a great deal of your time e=ergy and creativity. but have to date produced little in true substan=e. TIME FOR A CHANGE , no british citizen has=a visa issuse in the states. opt school, worry, abo=t perfecting a project rather than merely following directions. = its getting dangerous for me to allow you to continue to delud= yourself. sorry

= am doing my best to try grow up as best I know how. The job market is toug= and I have to market myself heavily online to come close to standing any c=ance, and that comes with its own concerns for me. So I am navigating my wa= around these issues as best and quickly as I can.

Brock and I are on good terms and I adore him but he is married for now=and living a lifestyle I don't think I could keep up with in a healthy way.=nbsp;

I want to have my own job. Yes it is extremely=taxing to find but I believe it will do me good. I am working every day at f=nding ways to navigate it and trying to build connections.

My mom booked to come here for thanksgiving a couple months ago (when=I had no idea what would be happening with me travel wise) because I though= it would be nice to have company on the holiday. So she is coming on her w=y to London where she will be spending most of December and Christmas.

I love you and thank you for all you do for me. It is a t=emendous help to me in this period of trying to start a career which seems w=y tougher than I could ever have thought. I really really really truly see i= and appreciate it.

Obviously ideally I would l=ve to be with someone (a little bit stable;) but I have no surety of this, w=ich is why I see the only way until that happens is to try to build myself a=little to have some income and work toward supporting myself.

I love you
