Subject: Boeing

Jeffrey

I spoke to Larry Morrison, he would like to have B727 in service Thursday.

The driving item is locating a Oxygen Pressure gage for passenger O2. Maybe could locate Tuesday morning local in Miami.?

We have to install headliners in cabin, lowered while searching for O2 leak.= Door bracket should arrive Wednesday morning, Stambah is closed for Holiday=Monday

I'll check on Bill Hammond availability as well.,,

Thx
Larry
