Greetings Sir,

Very well spoken, vibrant personality. Just moved back after 15 years when her mother joined the VI government. Has lived in Maryland, California and most recently in NY (7 years).

Since her return has worked at CBG, Duffy's as a waitress. Is most interested in starting or advancing dance, performance, theater here on St. Thomas.

Is looking for a set scheduled day job, so she can pursue the artistic endeavors on her non-working time.

Physical - very petite (my height, probably size 0 or 00) slight tattoos, mostly hidden, nose ring, black nails, overall appearance progressive but clean and neat, very pretty young woman.

I told her our office schedule must be very flexible, even though we have set hours, there are very often times when we work early or late or on the weekends.

She thanked me for the interview, and I told her I would be in touch. She said thank you, either way we decide.

Respectfully,

Daphne
