Subject: hi from [REDACTED]

hi, Jeffrey ...

just checking in and saying hi.

not to be a pain in the ass, just enjoyed hang=ing and would love to do some more.

j.

this from my Einstein connection (please see=the bottom):

[REDACTED]

My name is=Erich Rausch, or Erich Karoly Rausch in full. I'm a musician and an actor.

My voice teacher was Henry Rosenblatt, son of=the famous tenor from 100 years ago, Yossele Rosenblatt. Yosi had his own post=ge stamp ...Thomas Edison said he had the largest range of any person he had=20 recorded.

Because of his father's fame, my teacher Henry=grew up with people like Caruso and Einstein in his home.

Yossele died some 70 years ago, quit= young.

Yes, that was Eins=ein's favorite joke: "My dick isn't that big, but I love every foot of it."

Einstein also said that "if God had invented something better than sex, then he must have kept it to himself." ... did=I tell you that one?
