Please see link.

<=iv>Not sure if you would like to purchase new ones or fix The existing ones=

Each cabinet cost about \$3k-4k.

Please advise,  
Ann R.

Subje=t: Tiki Hut / Kalamazoo

I think the hardware used to assemble the cabinets are not=the same quality of the actual cabinets, because only the inside of the dra=ers and cabinets are rusted and broken.

Should we change al= the hardware and just reassemble the existing cabinets at the Tiki hut?
