The controller for IGY is flying to Cabo on Monday to conduct an audit of t=at operation and we are concerned that she will not be on the ground in ti=e for the discussion at 2:00. I want to ensure that all resources are avai=able so that all of your questions can be thoroughly answered. Also, I'd l=ke to be on the phone too so that I can listen to what is being said. That=way, as/if/when you have anything you'd like to discuss with me about what=you learn, I am fully in the loop. As a result I'd like to suggest that we=schedule now for Tuesday morning at 10:00 am EDT. Work for you?
