Subject: Re: Barge fuel

Greetings Everyone,

John is putting together the invoice for 800 Gallons @ \$2.89 - I will email to Rich for approval and payment and John will schedule fuel delivery for Wednesday, 9/16 - but if you need him earlier or later, he is okay with that as well, DW

Greetings Boscoe,

Correct. Tri-Island bought out Caribbean Petroleum - now all John Feola.

What price per gallon is SBDD offering for the fuel? DW

Well.

It seems there is no more Caribbean Petroleum. Tri Island bought them out recently.
John F says he will sell us the fuel we need for the barge at \$2.89 delivered to the boat.
You can reach him at:
<tel:340-774-3835> .

He is giving us his best price so he said regardless of the quantity I asked for.
