Are the approximate sizes of the "platforms" acceptable? 32" x 20" x 2"

Jeffrey,

The last drawing (side elevation) provides a simple discussion point.

I was thinking the "trays" (illustrated in the color blue at the bottom) would be approx. 32" long x 20" wide (inbd/outbd) x 2" high covered in the same leather as the seats and divan base.

Your thoughts?

Best Regards,

Eric
