=nbsp;

Good morning.

When we describe you (our client) we describe a w=rld renowned investor ,with a global business and who operates 5 impeccable estates in the US and Europe. Significant travel , prime minist=rs to peanut butter and jelly is part of the normal day. Long term very loyal employees, impeccable taste, hi=h standards Exacting refined taste ,educated =nbsp; Not your run of the mill high net worth employer

You have used video interviewing for 20 plus year=. You are very comfortable with the venue I wonder of you are helping the candidates feel at ease when the Skype starts. I know that is not your job but if people feel at ease I think you might see what we see in a candidate We all want the same end result .=o:p>

Based on our feedback from you, we understa=d these are the top 10 are elements to look for in your PA. PLE=SE CONFIRM.

1. Current job that includes lots of multi tasking and frequent shifts in priorities
2. Major travel experience and desire to travel often =o:p>
3. Based in NYC. Not burdened with children husbands f=mily ,etc so they can travel
4. Excellent technology skills
5. Strong PA experience scheduling shopping correspond=nce data base management etc
6. Polished, poised, petite refined & well m=nnered

7. Well spoken and well written
8. Open to travel maybe up to 200 days a year
9. High aesthetic sense
10. Well educated & Multi lingual if possible (French)

I think it speaks well for Suhmy that she works for a family with 7 children 2 of which may have challenges because that tells me that she has a work ethic and what ever comes down the pike at your Job will be easier

She chose to do her Skype either at the beginning or end of the day. She would not take time from work or make up a doctors appointment which speaks well for her commitment to her employer

I think she has many of the criteria that applies to your job

Her employer is not CZ Guest but is a COO and lives well. Judith spent a fair amount of time with Suhmy and she knows Hermès versus Celine and stark carpet ,,,I also know that New Jersey is not the upper east side etc.

I am giving this all a great deal of thought and trying to understand the disconnects you are experiencing from what we are experiencing

Thank you

Peter
