Warren's condition continues to decline. [REDACTED] is going loco. I have found the perfect caregiver for =arren- Arnie Mercado. He took care of Janet's =ather when he took ill. He is a 50 yr old Filipino who has been a =are giver for his whole life. He will refer to Warren as Dr. =isenstein, will wipe his \_\_\_\_ and dab his \_\_\_\_\_. =nbsp; He's strong enough to lift him. He has a =ar. He's very formal and respectful. This fellow will =ive Warren some dignity, instead of [REDACTED] having to do all the work and =itching about it. I want to get him on board today, but ='m waiting to hear back from [REDACTED] for the OK. I will tell =er not to worry about the cost. Arnie will cost about \$20 – =4 per hour or about \$200 per day. Jeff/Mark, how about we split =his expense for Warren? Michael: Please continue to =alk to Warren and [REDACTED] every day – its been very helpful to =hem.

Pls get back asap, as I want to hire Arnie =mmediately. TK
