**Subject:** Re:

Darien Wheatley, who is the Administrator of the Board, is doing what he has been doing for the past 20 years, sitting on his ass. He told me he did receive the settlement agreement but he still has not polled other Board members for potential dates. He did say Board Member Violet is unavailable until September, so no date is forthcoming until then. I suggest you ask the Governor to have his Attorney General intervene to get the hearing scheduled.
