Should I forward you and Richard the revised proposal and we can work out this credenza cover afterwards?

Best Regards,

Eric

I held off on the potty seats because you want to modify the aft potty seat and thought it would be best to do so during Phase II...?

Presently there is no credenza cover... If you want one, I need to know what you have in mind so I can identify labor hours and materials required....

Let me know on both so that I can finalize this proposal and invoice and send to you and Richard

Good morning Jeffrey,

Attached is our revised proposal which reflects the limited work scope – “Phase I”.

Please note it is “likely” that the material costs will be lower than budgeted and once materials have been selected / finalized, you will be issued a credit that will appear on future invoices.

As always, please do not hesitate to call me with any questions you may have.

Best Regards,

Eric
