Hey Bossman,

I went to both high schools art department on St. Thomas and I was referred b= both schools to find a teacher named Mr. Peterson who does all the murals a=d artwork along the highways as well as the Carnival booths.

I found Mr. Peterson at one of the elementary schools on St. Thomas "Uller M=ller elementary school" he said for the type of work that we are requesting=he cannot use the elementary students because they are not advanced for tha= type of work.

He said that normally he would charge about $500.00 to paint on anything 4x8=but since "I'm family" small world :) he would charge me $650.00 to do a 3D=effect on 2 plexi glass 4x8 of nice Caribbean plants and flowers.

He said guaranteed to love it.

Please advise,
