My boy,

I am sorry but the websites were not attached to the letter. I understand in the past that these organisations have proved difficult for you therefore may I be so bold as to ask whether you would consider a 50 K contribution to First Step Freedom, LLC, which is owned by Gia (who is a US citizen) and myself. This would propel First Step Freedom (FSF) in my absence whilst I deal with all the illnesses here.

In that way you would not be dealing with any strangers!

I would be incredibly grateful but please bear in mind that FSF is Not a charity therefore it would be an investment.

Please find the websites below, including an in-house interview I conducted with the head of the IPFCA, Chief Dan Tackett, within the FSF website discussing their services and how they will work with us.

FSF: (www.first-step-freedom.com <<http://www.first-step-freedom.com>>)
IPFCA : (www.ipfca.org <<http://www.ipfca.org>>)

Please let me know if you need anything else or we can speak later.

All best wishes

Julian
