[REDACTED] has been the most thoughtful and sweet person I have ever dated. His family has treated me like family and his Dad promised to do whatever he could to help my brother here. Apart from the Google thing (which I hope will eventually go away), there haven't been any issues... We have been looking at apartments this weekend. The last 7 months have been amazing. I would be very happy to do a business project together with [REDACTED].

I am sorry if my work performance has disappointed you, I know I haven't done any real work since my last trip at the end of February. Please let me know what can I do to be the most helpful to you
