Subject: Hurricane trade

Hi Jeffrey

I hope the damage wasn't too bad on the island or in P=lm Beach.

I think we should buy Brunswick (*) as a post Hurricane trade. There w=s a huge boat replacement cycle after Sandy (2012) and I believe that we w=ll see something similar post Irma.

We still have the LOW calls.<=span>

* Its boat offerings include: fiberglass pleasure boats; yachts a=d sport yachts; sport cruisers and sport boats; offshore fishing boats; al=minum and fiberglass fishing boats; pontoon boats; utility boats; deck boa=s; inflatable boats; and heavy-gauge aluminum boats
