The 100% wool carpet we manufactured with the ribs as requested was a quality piece of goods =93 reflective of the price point allotted and of the same quality level as the one in the GIV.

This being said, you decided to upgrade your material selection to a 100% silk carpet that costs over 3 times the amount.

A Mercedes is a very nice car --but it is not a Bentley.

Yes, we still have time for the exact same mill that fabricated the GIV carpet to make the same carpet.

Best Regards,

Eric
