I am sending information on 13 individual managers as well as the prop mana=ers (who are in their own separate presentation). Because the managers nam=s can be difficult, ypu will receive emails titled Manager 1; Manager 2 et=-through Manager 13. You will additionally receive a presentation book on=303 capital which describes the prop managers. The prop managers have lowe= capacity. Emails will begin to be sent now. Look forward to discussing.
