Bl=ck Family Office,

It=is with regret that I am letting everyone know that Eileen has given notic= that she will be leaving Elysium on 7/1/2015. Eileen first approached me =bout a month ago and expressed her point of view that as I got more and more "up to speed" that i= was inevitable that she would be leaving. At the time, I asked her if she=would give the situation more time. When we talked again last week she re=mphasized the inevitability and I re-emphasized my reliance on her and my desire for her to stay as long as possible. In t=at context we agreed that July 1st would be Eileen's last day.

Du=ing the next several months Eileen will be (i) helping to accelerate my le=rnning curve (ii) remain the supervisory head of the multiple real-estate p=ojects (iii) continue to be this office's primary liaison to Phaidon; (iv) continue to work with Debra and the child=en (v) continue to manage the office and (vi) help me on some important st=ategic projects such as best practices in becoming a G2 office.

Everybody knows better than me how fully committed Eileen has been for many years to making the office the best that it could be and her fierce loyalty to Leon and his family.
