Subject: outstanding invoice

Richard:

Once again I've attached the final invoice for the work =ompleted back in Feb on the 6th floor media room. It's =een 3 months since we've completed the contracted scope and would =ppreciate payment. On a side note I've instructed Richard Barnett to =un the media room's system at least once a week to insure that it =oesn't go into a stand by or hibernate state, I have not heard back =rom him in months so I'm confident that the system is working as =ntended.

Best
Jeff
